

Sandbach Voices

Applications invited for Musical Director

Sandbach Voices is a friendly mixed choir of about 60 voices, with a range of experience, and a good mix of ages. Over the last 11 years, the choir has developed into a well regarded choral society under our Musical Director, Martin Cook.

Martin is returning to University in order to further his studies, and we now invite applications for a Musical Director.

Rehearsals are held on Tuesdays in Wheelock, near Sandbach and we perform four concerts per year in Sandbach Town Hall/St Mary's Church.

At least one concert each year is accompanied by an orchestra, and some are held in conjunction with music students from local schools.

The new MD will be expected to develop an interesting and challenging programme in discussion with a supportive committee.
